

Ogre Ball User Manual

Ogre ball is a game akin to that of racquetball and pong, except your only opponent is yourself.

A rally is started and points are scored by bouncing the ball off of the back wall with the user-controlled paddle. If the ball goes behind the paddle or comes to a stop, the rally will reset and the game will begin again.

See how high you can score!

Controls:

W - Move paddle up

A - Move paddle left

S - Move paddle down

D - Move paddle right

M - Mute game sounds

Left-click - Swing paddle

Esc - Close the game
